Paradise

RIVER FOREST
Farmhouse Plots at Mandangad

105

acre farm house
project

About Paradise

The project of River Forest is located at Mandangad which is very close to Dapoli. It lies westled in a private and quiet expanse, far from the clamor and congestion of Mumbai and Pune. Peaceful and immune to tourist bug, yet welcome all into its lovely embrace. The project of River Forest is nothing short of surreal.

Benefits of Project

Build your own farmhouse, which can be used for personal or business purposes. The carpet area is 1600 sq. ft. besides that, it can be used for agriculture.

The best way to become part of the community that contributes to the nation's economy.

Benefits of Agriculture

A mango, coconut, cashew, and kokum orchard can be built to make a second income.

Aside from producing food, agriculture also produces raw materials for many industries.

One of primary sector of economy is agriculture, which contributes to 70% of the country's export.
